LIMITS AND LIABILITIES

DEFINITIONS AND RESPONSIBILITIES: The Terms and Conditions set forth become a part of the contract between AEX Convention Services, LLC. ("AEX Services") / Texas Exposition Services, LLC. ("Texas XPO") and the Exhibitor. Acceptance of said terms and conditions will be construed when any of the following conditions are met: (1) An Exhibitor's materials are delivered to the Contractor's Advance Warehouse or to an event site; (2) The Authorization and Agreement Form is accepted or signed; (3) An order for labor, services and/or rental equipment is placed by the Exhibitor with the contractor; (4) Work is performed on behalf of Exhibitor by labor secured through the contractor. For purposes of this contract, the name "the contractor" shall be construed with the meaning of AEX Convention Services, LLC. ("AEX Services") / Texas Exposition Services, LLC. ("Texas XPO"), DBA the contractor and its employees, directors, officers, agents, assigns, affiliates, and related entities including any subcontractors the contractor may hire. The contractor shall be responsible only for those services which it directly provides, and hereby agrees to execute its contracted duties in good faith. The contractor does not assume responsibility for any acts of, or loss to, persons, parties and/or other contracting firms not under the contractor's direct supervision and control.

PAYMENT TERMS: Full payment, including applicable tax, is due in advance or at event. All payments must be in U.S. funds and all checks must be drawn on a U.S. bank. Orders received without advance payment or after the deadline date will incur additional after deadline charges as indicated on each order form. All materials and equipment are on a rental basis for the duration of the event and remain the property of the contractor except where specifically identified as a sale. All rentals include delivery, installation, and removal from Exhibitor's booth. In case of cancellation of any orders or services by Exhibitor, a one-hour "per person requested, per hour" charge will be applied for all labor orders that are not canceled in writing at least 24 hours prior to the scheduled start time. A 100% pick-up fee will be applied to all on site exchanges or cancellations. If the event is canceled because of reasons beyond the contractor's control, Exhibitor remains responsible for all charges for services and equipment provided up to and including the date of cancellation. It is Exhibitor's responsibility to advise the contractor of any problems with any orders, and to check the Exhibitor's invoice for accuracy prior to the close of the show or event. If Exhibitor is exempt from payment of sales tax, the contractor requires an exemption certificate for the state in which the services are to be provided. Should there be any unpaid balance after the close of the event, terms will be net, due and payable upon receipt of invoice. Effective thirty (30) days after invoice date, any unpaid balance will bear a finance charge at the lesser of the maximum rate allowed by applicable law, or 1.5% per month (annual rate 18%), and future orders will be on a pre-paid basis only. These payment terms and conditions shall be governed by and construed in accordance with the laws of the State of New Jersey. In the event of any dispute between the Exhibitor and the contractor relative to any loss, damages, or claim, such Exhibitor shall not be entitled to and shall not withhold payment, or any partial payment, due to the contractor for its services, as an offset against the amount of any alleged loss or damages. Any claim against the contractor shall be considered a separate transaction, and shall be resolved on its own merits. The contractor reserves the right to charge Exhibitor for the difference between the Exhibitor's estimate of charges and the actual charges incurred by the Exhibitor, or for any charges that the contractor may be obligated to pay on behalf of Exhibitor, including without limitation, any shipping charges. If Exhibitor provides a credit card for payment and charges are rejected by the Exhibitor's credit card company for any reason, the contractor hereby provides notice that it reserves the right, and Exhibitor authorizes the contractor, to continue to attempt to secure payment through that or any other Exhibitor(s) credit card for as long as unpaid balances remain on Exhibitor's account.

INDEMNIFICATION: Exhibitor agrees to indemnify and forever hold harmless the contractor and its employees, directors, officers, and agents from and against any and all demands, claims, causes of action, fines, penalties, damages (including consequential), liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) on account of personal injury, death, or damage to or loss of property or profits arising out of contributed to by any of the following: (1) Exhibitor's negligent supervision of any labor secured through the contractor, or the negligent supervision of such labor by any of Exhibitor's employees, agents, representatives, customers, invitees and/or any Exhibitor Appointed Contractors (EAC); (2) Exhibitor's negligence, willful misconduct, or deliberate act, or the negligence, willful misconduct, or deliberate act of Exhibitor's employees, agents, representatives, customers, invitees and/or any Exhibitor Appointed Contractors (EAC) at the show or exposition to which this Contract related, including but not limited to the misuse, improper use, unauthorized alteration, or negligent handling of the contractor's equipment. (3) Exhibitor's violation of Federal, State, County or Local ordinances; (4) Exhibitor's violation of event regulations and/or rules as published and set forth by facility, show management, or the contractor.

CLAIM(S) FOR LOSS: Exhibitor agrees that any and all claims for loss or damage must be submitted to the contractor immediately at the show site, as well as in writing to csr@aexservices.com at the time of the potential claim for loss or damage. In any case not later than thirty (30) days after the conclusion of the event (for purposes of claim reporting, the "conclusion" of the event is the earlier of the conclusion date of the event or the time when Exhibitor's materials are delivered to the carrier for transportation from the event site or from the contractor's warehouse). All claims reported after the thirty (30) day period will be rejected. In no event shall a suit or action be brought against the contractor more than one (1) year after the date of loss or damage occurred. If found liable for any loss, the contractor's sole and exclusive maximum liability for loss or damage to Exhibitor's materials and Exhibitor's sole and exclusive remedy is limited to the lesser of \$.50 (USD) per pound per article with a maximum liability of \$100.00 (USD) per item, or \$1,500.00 (USD) per shipment whichever is less, and in no event shall exceed the total rental fees paid by exhibitor to the contractor for the event.

INBOUND AND OUTBOUND SHIPMENTS: Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of Exhibitor or its representative, and during such time the materials will be left unattended. The contractor will not be responsible for any loss, damage, theft, or disappearance of Exhibitor's materials after same have been delivered to Exhibitor's booth. Additionally, there may be a lapse of time between the completion of packing and the actual pickup of materials from the booths for loading onto a carrier and during such time the materials will be left unattended. The contractor will not be responsible for any loss, damage, theft, or disappearance of Exhibitor's materials before same have been picked up for reloading at the conclusion of the event. All Material Handling Agreements submitted to the contractor by Exhibitor will be checked at the time of pickup from the booth and corrections will be made where discrepancies exist between the quantities of items on any form submitted to the contractor and the actual count of such items in the booth at the time of pickup. Exhibitor agrees to accept and be bound by the contractor's count.

PACKAGING, CRATES, & EMPTY CONTAINERS: the contractor shall not be responsible for damage to loose or uncrated materials, pad-wrapped or shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly, or improperly packed materials. In addition, the contractor shall not be responsible for crates and packaging which are unsuitable for handling, in poor condition, or have prior damage. Crates and packaging should be of a design to adequately protect contents for handling by forklift and similar means. Empty container labels will be available at the show site service desk. Affixing labels to the containers is the sole responsibility of the Exhibitor or its representative. All previous labels must be removed. The contractor assumes no responsibility for error in the above procedures, removal of containers with old empty labels and without the contractor labels, or improper information on the empty labels. The contractor will not be liable for loss or damage to crates and containers or their contents while same are in empty container storage.

SEVERABILITY: If any provision of this Contract proves to be illegal, invalid, or unenforceable, the remainder of this Contract will not be affected by such finding, and in lieu of each provision of this Contract that is proven to be illegal, invalid, or unenforceable, a provision will be added as part of this Contract as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid and enforceable.

NO ORAL MODIFICATION OR WAIVERS: The Limits and Liabilities are the complete and final agreement between Exhibitors and the contractor. The terms herein may not be modified or waived orally, but only by an instrument in writing signed by the party against which enforcement of the modification or waiver (as the case may be) is sought.

UNION REGULATION

To assist you in planning your participation in your show, we are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have we ask that you read the following:

BOOTH ERECTION & DISMANTLING

Exhibitors may, at their option, erect and dismantle their own booths using their own full-time employees. If their own employees are not available, labor can be ordered using the "Labor Order Form" in the kit.

MATERIAL HANDLING

Exhibitors may hand-carry their own materials into the exhibit facility. The use or rental of dollies, flat trucks and other mechanical equipment, however, is not permitted. Texas XPO will control access to the loading docks in order to provide for a safe and orderly move-in / move-out.

TIPPING

Texas XPO request that exhibitors do not tip our employees. They are paid an excellent wage scale denoting a professional stature, and we feel that tipping is not necessary. This applies to all Texas XPO employees. Any request for such should be brought to the attention of an Texas XPO representative.

SAFETY

Standing on chairs, tables, or other rental equipment is prohibited. This equipment is not engineered to support your weight. Texas Exposition Services cannot be responsible for injuries or falls caused by the improper use of this equipment. If assistance is required in assembling your booth, please use the "Labor Order Form" and the necessary ladders and/or tools will be provided.

ELECTRICAL INSTRUCTIONS

HOW TO DETERMINE ELECTRICAL REQUIREMENTS:

Equipment

All electrical equipment is stamped or labeled with electrical ratings usually found on the back or bottom of the equipment. Verify voltage and either amperage or wattage from the information provided. Standard office and household items operate on 110/120 volt power. Machinery and equipment typically require 208 or 480 volt power.

Lighting

Verify the wattage of the bulbs in the lights and multiply by the number of bulbs/lights.

LOCATION OF POWER IN YOUR BOOTH:

In-Line & Peninsula Booths

Power will be installed in one location, typically on the floor somewhere along the back of the booth, as indicated in the following diagrams: (We cannot guarantee that the outlet will be specifically located in the middle.)

IN-LINE BOOTHS / PENINSULA

BACK TO BACK PENINSULA

If power is required in locations other than indicated above, secondary distribution will be required and billed on a time and material basis. Please complete and submit an Electrical Labor Order Form with your power order, along with a floor plan as described below.

ISLAND BOOTHS / MULTIPLE OUTLETS:

Floor plans are always required for Island Booths and orders for multiple outlet locations. The floor plan must indicate booth dimensions, surrounding booth numbers for orientation within the facility, each outlet location, required wattage or amperage and location for main drop. If power location in an island booth is not provided prior to show move-in, a location will be determined by NRG Park in order to maintain delivery schedules. Relocation of the service will be charged on a time and material basis. See EXAMPLES below:

EXAMPLE OF PLAN AND INFORMATION REQUIRED TO COMPLETE FLOORWORK

Please indicate the following on the floor plan.

1. Location and load of main power drop - please provide specific dimensions and wattages/amperages.
2. Location and load of all outlets - please provide specific dimensions and wattage, amperage and voltage.
3. Booth orientation - please provide surrounding aisle and/or booth numbers.

ELECTRICAL SERVICES USAGE GUIDE

The following wattages are approximate and are provided to help you estimate your power usage. To assist in estimating we recommend that you refer to the name plate or stamp usually located on the back or bottom of any electrical apparatus and order the corresponding outlet for each piece of equipment to avoid tripping/power outages during the event.

The formula for wattage is voltage x amperage (120 volt x 1 amp = 120 watts), 5 - 100 watt light bulbs = (5x100 = 500 watts).

Please feel free to contact our electrical specialists at houstonutilities@freemanco.com with any additional questions.
