If your guest or event requires additional items (i.e. table, chairs, power, or other amenities) this will be the sole responsibility of the above referenced company. The client can provide these items directly, or contact our third party rental company, Cre8ive Event Rentals. It will also be the responsibility of the above named company to provide credentials (if needed), security and to oversee crowd control and traffic flow in and around your booth during the dates and times specified. You must also be sure you are not blocking aisles or crossing over into your neighbor's booth. You are still bound by the rules and regulations regarding space and space requirements. Additional Security is available for a fee and must be arranged with the same security company contracted on site, as specified in the show directory. Please reach out to your account manager for additional questions or arrangement of special requests.
