Please do not hang anything heavy from the pipe and/or drape forming your booth. Lightweight signs or banners may be hung from the pipe frame, but anything heavy should have a free-standing frame to support it. Wholesale signs are not permitted at our event. There are no height restrictions outside.

Please allow room along the floor at the back edge of your display for power cables, panels and/or receptacle boxes. These are necessary to deliver power to all booths along your row. Do not store anything on the cables or power boxes, as this could become a fire hazard.

All lighting must be directed inward towards your display and is not to interfere with other exhibitors and guests. All exhibit openings that appear unfinished must be covered or are they will be subject to being covered at the exhibitor's expense.

Strolling entertainment or moving advertisements outside of an exhibitor's assigned space are prohibited. All displays and promotional activities must stay within the boundaries of the exhibit space. If you are hosting a special guest in your booth, you are required to manage the crowd so that neighboring exhibitors are not affected by the appearance. All special appearances must be approved by show management, so we are aware of the activity (see special appearance form in exhibitor packet).

All working staff will be prohibited from entering the Auction Arena during the event hours. All necessary amenities/facilities will be located outside the Auction Arena.

Fire Department Regulations

The Fire Marshal has emphasized that exhibitors MAY NOT store any boxes, packing materials, back stock, supplies, etc. behind any pipe and drape walls inside the building. In addition, you must make sure all power boxes and cables are clear from any foreign materials.

If you have product boxes, packing material, etc. which you need to store, you must remove them to your vehicle or other storage location. You may also arrange with your show decorator to store them for you (a storage fee would be charged). Show management and Fire Department representatives will be making random checks throughout the site during the auction. Items found behind the pipe and drape will be removed and discarded.

On-Site Representative

Barrett-Jackson requires each client to identify at least one individual authorized to represent their company in matters pertaining to the daily operations of the event on-site. The appointed on-site contact is responsible for supervising the actions of their employees and hired staff. Failure to notify Barrett-Jackson of the appropriate individual may prevent your activation specialist from speaking to the appropriate activation contact within your business. Failure to respond to communication in a timely manner may cause delays in notifications of important information. It is the responsibility of the exhibitor to notify Barrett-Jackson if a change needs to be made to their primary representative previously provided.

Solicitations of Unauthorized Services

Barrett-Jackson uses only the contracted providers listed in the Directory of Services. Use of any third-party providers is strictly prohibited.

Exhibitor/Sponsor Credentials

Each participating client will be issued a specific number of credentials based on the size of your display space. All credentials will be provided in a move-in packet that you will pick up during your scheduled move-in time. The person who signs for the move-in packet will be responsible for distributing all credentials to the appropriate people working in your booth.

For any client that loses or forgets their credential, please have the on-site contact for your company reach out to your account manager for advisement or arrangements. Please plan your staffing accordingly (especially if you will have multiple shifts for staff to man your booth).

All Sponsor and Exhibitor credentials are intended exclusively for staff to work your booth, and not for complimentary admission for friends, family or customers. Any client caught giving away or selling any credentials online or at the event site will be subject to instant removal from the auction, charged a fee for any credentials given away or sold and may forfeit placement at future Barrett-Jackson events.

Photography

You are permitted to photograph or video your own booth space only. Photography or video of the auction block, event activities and otherwise are strictly prohibited. Our photography disclosure can be found on the back of your credential. Exhibitors are not permitted to photograph or video the exhibit or product of another exhibitor without prior approval.
